# RECRUITER'S MANUAL

## 2016

# KOTTAYAM

## The Land

Panoramic backwater stretches, lush paddy fields, highlands, hills and hillocks, extensive rubber plantations, places associated with many legends and a totally literate people have given Kottayam district the enviable title: The land of letters, legends, latex and lakes.

Kottayam is one of the state's more mountainous districts, which provides some of Kerala's finest natural scenes sandwiched between serene palm-fringed backwaters on the west and the Western Ghats on the east. Much of these beauties laid out in all its glory along plantation of Rubber, Tea, and Pepper. Kottayam is an important commercial centre of Kerala. Thanks to its strength as a producer of cash crops. Most of India's natural rubber originates from the acres of well kept plantations of Kottayam, also home to the Rubber Board, one of the country's primary commodities board.

Kottayam came into limelight when it was declared the first town in India to have achieved 100% literacy, and event that triggered a mass movement to make Kerala the country's only state to achieve total literacy. Kottayam is also called "Akshara Nagari" which means the "city of letters" considering its contribution to print media and literature. Kottayam is also the birth place of the state's publishing industry, and is home to a number of globally renowned news papers and magazines including Malayala Manorama (India's largest circulated daily), The week, and Deepika. Kottayam is also home to some of the eminent personalities who have made a mark in their respective fields for which the entire nation is proud. Some of them include Shri. K. R. Narayanan, former President of India, Ms. Arundhati Roy, First Indian writer to win the prestigious Booker Prize and Shri. K. M. Mathew, former Chief Editor, Malayala Manorama.

# MAHATMA GANDHI UNIVERSITY

The Mahatma Gandhi University (formerly Gandhiji University), with B accreditation of National Assessment and Accreditation Council, was established on 2nd October 1983, as the fifth university in Kerala. The University is ideally located in a sprawling campus, spread over an area of 110 acre in Athirampuzha a hamlet 13 km from Kottayam town. The campus is home to about 650 post graduate students, 96 faculty members and more than 1500 staff.

The University has been able to become a role model in the country in extension activities. The Kottayam Literacy Campaign, the first of its kind in India (1989) was a project of this University. The Nalpathimala Grama Vikas Kendra, within the University Campus, has evolved as a nationally accepted model for Campus-Community partnership, which won the first Indira Gandhi NSS Award in 1993. National Service Scheme, National Cadet Corps, University student's union and College Union are very active, in channelizing the creativity spark of the students. A full fledged student service department caters to the student amenities. The employment and guidance bureau offers regular programmes for students to prepare for the UGC, NET, CSIR and other competitive examinations. MG University has ranked 16th in the nation and third in south India, in the UGC CSIR NET examinations according to the last five years figures.

The combined record of its past and present faculty and students along with the alumni spread across the world is inspiring. With path breaking innovations in both curriculum and research, the University is rapidly advancing and adapting, thus maintaining its legendary reputation. The University has already acquired worldwide reputation for its faculty, students and alumni who continuously served towards pioneering and innovative work, both in the field of research and services. The University offers it's students an outstanding environment coupled with world class infrastructure. Not only does it celebrate freedom of thought, cultivate vision and encourage growth, but also inculcates human value and concern for the environment and the society.

The special efforts to recruit talented faculty on a global basis and stringent admission procedures to select brilliant students across the country, ensures a pool of formidable intellectual capital at any given time in the campus. This helps in a healthy and dynamic exchange of ideas which incubates leaders for the corporate world.

# School of Management & Business Studies

School of Management and Business Studies is a regular statutory Department for Management studies in Mahatma Gandhi University. The School had a humble beginning on 25th March 1999 with a two year full-time MBA program for the management aspirants with the objective of moulding enterprising youth into career-oriented and competent management professionals. With dedicated and high calibre professional expertise and state-of-art infrastructure, the institution imparts the

best of theory and practical knowledge to carve a niche for itself in the challenging two year MBA, MPhil and PhD programmes on Management and Business Studies. Ours is one of the prominent Management Institutes in South India.

The MBA program offered by SMBS is aimed at creating business leaders and entrepreneurs by leveraging on its strength in technology, computing and social sciences. The department is currently engaged in a diverse set of activities including teaching, academic research, management development programs, and public sector projects. The department places heavy emphasis on experiential and process oriented learning, and the pedagogical tools include extensive use of case studies, simulation exercises, industry oriented project works to facilitate the same.

Besides honing up the skills of individual decision making, enough emphasis is laid on developing team skills and value focused decision making. Continuous industry interaction, seminars and live projects are a regular part of the curriculum. Organizational environments are simulated to sharpen the skills of decision-making, leadership and team building. Teamwork, group assignments, case studies, participation in class discussions and real business issues are strong features of the management program at SMBS.

## VISION

To emerge as country's foremost destination in the domain of management for all those aspiring superior learning and research, and for organization seeking effective advice and consulting.

## MISSION

We nurture academic excellence and professional competence by imparting value based education and instilling integrity and confidence in order to align talents and to encourage leadership in the widest social and economic interest of the country.

# Vice-Chancellor's Message

I am glad to learn that the School of Management and Business Studies is publishing a Placement Brochure for the year 2016. Business environment all over the world is currently undergoing a lot of transition. The growing integration across global economics has thrown up greater challenges ahead for management professionals. With the rise of digital economy and knowledge explosion, the world yearns for a new breed of managers to lead it and steer it on to the pinnacles of excellence.

The MBA course offered by our University is a customized and updated course designed to meet the challenges and changing dynamics of the market and the society. This flagship programme, since its inception, has been developing the most vibrant and responsible managers with knowledge and skills required for the holistic development of the nation.

I wish the venture all success.

**DR. BABU SEBASTIAN**  
Vice-Chancellor

# Director's Message

World Economy is now in doldrums. Worldwide recession is the main reason for this dilemma. This has not only affected the developed countries but also the developing countries. History says that this economic crisis is repeatedly happening over a specific time gap. Globally, management experts are in the search of solutions to solve this complex phenomenon. It is very clear that only with competent and talented managers the gravity of this situation can be reduced.

School of Management and Business Studies, a premier statutory department of Mahatma Gandhi University is shaping young talents as future managers. The curriculum designed by this School to shape future managers is beyond any comparison. Our prime motto is to train the students to face any tough situations intelligently with social responsiveness. Above all we are committed to contribute young managers to shape the future of our nation.

I wish all success to my beloved students for a prosperous career.

**PROF. (DR.) K. SREERANGANADHAN**  
DIRECTOR

# MG University- MDI Gurgaon Tie-up

B-Schools in India have realized that collaboration with leading institutions is the need of the hour to re-warm their curriculum and to stay in tune with the globalized environment. It has also increased their reputation by enabling them to increase their ranking/rating. Having interaction with leading institution through student exchange and faculty exchange has enabled them to upgrade their knowledge and standards. Realising this, School of Management and Business Studies of Mahatma Gandhi University has signed a Memorandum of Understanding with MDI (Management Development Institute), Gurgaon, a pioneer in the field of management education for a student exchange program. Accordingly meritorious students of SMBS are given an opportunity to attend International Summer University Programme at MDI, Gurgaon for two months. Through such initiatives, SMBS, M.G. University aims to provide a cross-cultural exposure and a global perspective to the students. Efforts are under way to expand the program further and enable

an even larger number of students to avail of this unique opportunity. The students under this exchange program benefit through interaction with the large number of overseas students spending a term at MDI, Gurgaon.

The courses taught are relevant in an international context and the design is such as to enhance collaboration among students from different countries. The courses offered last year were as follows -

- ◆ International Financial Management
- ◆ Financial Analysis Strategy-A European Perspective
- ◆ International Management
- ◆ Global Investment & Portfolio Management
- ◆ Cross-Cultural Management
- ◆ Corporate Social Responsibility, Ethics and Corporate Governance
- ◆ Strategic Human Resource Management
- ◆ Purchasing and Supply Chain Management

**Accordingly meritorious students of SMBS are given an opportunity to attend International Summer University Programme at MDI, Gurgaon for two months. Through such initiatives, SMBS, M G University aims to provide a cross-cultural exposure and a global perspective to the students.**

- ▶ Production Planning and Control

## THE CAMPUS

The School of Management and Business Studies in the Mahatma Gandhi University campus amidst the green canopy of palms and breath taking scenic beauty of Mother Nature is situated in Kottayam, the land of letters. The elegant landscape, the ecofriendly environment, the harmonious combination of nature and intellectual vitality provides an ideal learning experience for the students.

## THE CLASSROOMS

The classrooms are spacious and well planned to facilitate long hours of learning, interaction and knowledge sharing. All classrooms are equipped with network connectivity and the latest audio visual aids to facilitate case discussions and group activities.

## THE LIBRARY

The libraries are the quiet zones of the institution, well stocked and regularly updated with hundreds of books by eminent authors, national and international journals, magazines, periodicals, CDs, research papers and online databases which provide the students with resources required for their regular classes, extra readings, projects and assignments.

**COMMUNICATION LAB**

Language is essential for expressing ideas, opinions, views, emotions etc. One of the essential qualities of an effective leader is the command he has over his oral ability. In other words, effective oral communication is a key to successful leadership.

The language lab system at SMBS has a teacher-in-charge who will assist students to do various practices. The teacher is provided with control of functions and the student is provided with the facility to receive recorded lessons and to listen to the lessons and pronunciations. The lab makes the students to familiarize themselves to listening and speaking with appropriate pronunciation.

**WI-FI FACILITY**

21st century belongs to "the era of web information" as internet plays backbone for every aspect of life. The students are provided with wireless connectivity (Wi-Fi) and can access online information anywhere in and around the campus using their laptops at High Speed Internet Connectivity of 52Mbps. Students can surf the web and can enhance their knowledge as well as extract unlimited e-information.

**HOSTEL**

Hostel facilities (separate for boys and girls) have been provided in line with the residential nature of the academic programs. The hostels

provide 24 hour internet connectivity and mess facilities for students.

**AUDITORIUM**

The University auditoriums and conference halls are of different capacities and are used for training, seminars, classes, conferences, and formal meetings in the campus, and at times even for the closely associated industries.

**HEALTH CLUB**

Special gymnasiums for boys and girls, sports facilities including football/ cricket ground, volleyball/ basketball courts, facilities for indoor games and jogging tracks have been provided for the overall development of every SMBSian.

**SMART CLASSROOM**

SMBS's Smart Classroom enhances the classroom experience with the latest in computer and projection technology. Comfortable podium-style consoles house a variety of multimedia and computer equipment connected to LCD projection for bright, clear imagery.

Classroom Technology Services staff collaborate with faculty and conduct ongoing research into emerging teaching technologies to ensure SMBS's Smart Classroom meet the dynamic needs of today's digitally-savvy students. Smart Classroom is equipped with instructional technology by ITS and is an added advantage for the students of SMBS.

# PROGRAMMES

## **SUMMER INTERNSHIP**

Relentless change in the business world has been accompanied by an equally dramatic need for the business school students to prepare themselves for taking on future challenges. The students are required to select a listed company for their summer project. It helps them to understand best management practices in the industry. Summer internship program helps in experiential learning for students in an organizational environment which serves his or her academic requirements and also provides valuable hands-on experience; in a chosen area of specialization. Internships are focused on what a student learns, not what the student does. Internship for a two months period of time with a focus on learning executive skills attempt to bridge the gap between theoretical learning and practices.

## **ORGANIZATION STUDY**

Organization study provides knowledge relating to how organization functions, how decision making is carried out in the formulation of strategies, goals, objectives and so on. It also enables the student to understand as to how the different functional areas of an organization are put together in realizing the common goal of the firm. Accordingly as per the curriculum of SMBS, students are required to carry out an 'organization study' during the month of May in between the 2nd and 3rd semester. It is mandatory for every student to conduct an organization study of not less than one month in a well-known and reputed organization under the guidance of an officer of that organization.

## **STUDENT DEVELOPMENT PROGRAM**

The student development program is conducted every week which include individual and group activities. SMBS organizes many conferences and seminars on regular basis. The students play key role in organizing these seminars and immensely benefit from the vast wealth of knowledge which are exchanged in such platforms. SDP programs include debates, HR games, marketing games, finance games, team activities, leadership development programs etc.

## **FOOTPRINTS**

Alumni are one of the strong pillars of SMBS. The institute has strong and supportive alumni, who help in placement activities and other areas by providing information of their industries, view on current topics, corporate culture and personal tips on career development for students. The institute has alumni coordinators from each batch and they organize regular events with the guidance of a Faculty coordinator.

## **BHOOMITRA CLUB**

The Bhoomitra means "Friends of Earth" provides the students an opportunity to mingle with nature and the world around them. It is an exercise to make the students aware of the importance of nature and motivate them to be better individuals and promoting sustainable development. The activities of the club aim at moulding student's behaviour through co-operation and team work.

### NCBM 2016

School of Management and Business Studies organized the National Conference on Business Models (NCBM2016) on Thursday, 25th and Friday, 26th February 2016. The theme of the conference was "Business Models for Start-ups and Small Firms". The objective of the conference was to share the knowledge about the recent advances in business start-ups and small businesses. Besides, NCBM2016 aimed at promoting entrepreneurial talents among students and youngsters. Some of the highlights of the conference were invited talks by eminent academicians and corporate experts, contributed paper presentations and poster presentations.

### THE PLACEMENT CELL

The placement cell stands out as the most important element of SMBS providing the most sort after opportunities for the students. The placement committee comprises of faculty and students with the Director as the Chairman and one faculty member as the placement officer. The objectives of the placement cell include helping students to plan their future career, maintaining liaison with prospective employers, preparing students for interviews and getting placements.

### PLACEMENT POLICY

Companies interested in recruiting students of School of Management and Business Studies (SMBS) are requested to make a pre-placement presentation on the following:

- ▶ Company policy on career path.
- ▶ Job profile.
- ▶ Compensation.
- ▶ Location of placement.

The pre-placement presentation is followed by the selection process. After selection, the company is required to give a formal and legally valid confirmation regarding the offer (including the list of the selected and shortlisted candidates).

# Achievements & Activities

## NATIONAL ELIGIBILITY TEST

The institute always encouraged students to attempt National level exams and as a result every year a good percentage of students qualify for various national level competitive examinations. Two of our students Ms. Asha T. A. and Mr. Uvise P. M. passed the NET exam held in the month of December 2015.

## RESEARCH OUTPUT PRESENTATION

Shemi K P & Misha Ali – Study on e-Auction settlement and clearing system in South India authored by Dr. Biju M. K.

Asha T. A. - Chanelizing CSR activities towards meaningful social sector reforms authored by Asha T. A. and Dr. Biju M. K.

  - Mr. G. Balachandran – International Trainer and Motivational Speaker
  - Mr. Ajayyakumar B. Nair – International Trainer
  - Mr. Thomas Zachariah – International Language Trainer

## CULTURAL FEST

- ▶ The School secured the Overall champions trophy in the Cultural Fest 2015.

## SPORTS

- ▶ The School secured the Overall Championship in the Sports Meet conducted at M.G. University in 2015.
- ▶ The school won the championship in Cricket in the interdepartmental sports meet conducted at M.G. University.
- ▶ The School secured Second Place in Threes Football in the interdepartmental sports meet conducted at M.G. University.
- ▶ Aamjal Roshan was elected as the General Secretary of the Department Students Union in Mahatma Gandhi University.

## Placement Officer's Message

Dear Recruiters,

I take this opportunity to extend a very warm welcome to the Placement Programme at the School of Management and Business Studies, Mahatma Gandhi University, Kottayam. Being a front runner in the field of imparting professional management education in this part of the country, School of Management and Business Studies (SMBS) also boasts of an excellent track record of placements. Our endeavour is to enable our students to move forward confidently; to embrace change rather than follow; to innovate rather than remain stagnant and to initiate rather than respond and thereby to become competent managers and dynamic entrepreneurs in a rapidly changing economic and industrial environment.

At SMBS, we take care to groom our students according to the needs of the industry. We seek to open frontiers of knowledge and reveal new horizons of change, to broaden mindsets and to create positive attitudes in our students. We are sensitive to the social and moral responsibilities and imbibe the same in our students amply so that they are trusted in the corporate world not only for their professional skills but also for their sensitivity towards the society. The programme introduces them to the various stages and levels of expertise involved in the formation and implementation of policies of sustainable development. The two year programme includes rigorous field -work, visits to industries, summer training projects, research projects using both quantitative & qualitative data analysis, seminar presentations and workshops. The students are well equipped to perform effectively in any environment. They have been groomed to be experts in their respective fields with leadership qualities, positive attitude, loyalty and integrity to the organization. I consider it to be an honour and opportunity to present to you a group of young, dynamic individuals who have been groomed to face challenges of managing in ever changing business environment. I take pride in cordially inviting you to participate in our endeavour and look forward to welcoming you to the recruitment program.

Welcome to SMBS, M G University.

 Organization Study : ACC Cements, Coimbatore  
 Strengths : Honest  
 Minor : HR

“Somebody once said that in looking for people to hire, you look for three qualities: integrity, intelligence, and energy. And if you don’t have the first, the other two will kill you. You think about it; it’s true. If you hire somebody without [integrity], you really want them to be dumb and lazy.”

— Warren Buffett

# Alumni speak

**VISHNU S KUMAR**

2013-15 batch  
Sales Officer  
ITC LTD, ITC Coimbatore Branch.

"SMBS has nurtured me and made me what I am today. SMBS made me more disciplined and helped me to grow not only professionally but holistically...as a good human being .Proud to be an SMBSian"

**ARCHANA K S**

2013-15 batch  
HR Executive  
Wipro Technologies, Infopark-Cochin

"2 years in SMBS helped me to grow personally as well as professionally. It was actually a turning point in my life which made me what I am today . It is the best mentoring institute which nurtured me to a perfect professional. From this platform I can confidently face the challenging demands of the corporate world. "I am very proud to say that I am an SMBSian."

**SANDRA PAYUVA**

2012-14 batch  
Probationary Officer, South Indian Bank

"SMBS, it was one of the major station during the journey of my life... We learned the value of team spirit and got mentioned to face the demanding corporate world. The two years at SMBS, groomed me to be a fighter not compromising to anything less than the best. I am very proud to be an SMBSian."

**DIVYA GEORGE**

2011-13 Batch  
Management Trainee,  
The Fertilisres and Chemicals Travancore Limited, Udyogamandal

"At SMBS, we are trained to acquire the right kind of knowledge, techical skills, ability to think out of box and innovative. This institute has provided me a wide learning platform through lectures, internships, seminars, and given me the opportunity to understand, explore and realize my potential in a better way along with appropriate exposure for overall development. I am thankful being a part of it .

**MARIAM SARAH DANIEL**

2009-2011 Batch  
Manager,  
(Events & Marketing Communications)  
Aditya Edu Ventures Pvt Ltd, Chennai

"...The two years of learning at SMBS is equivalent to twenty years of pragmatic life. I experienced the transformation from a girl to a woman, from being mundane to skilled and from raw to processed. The faculties, administration and authorities always think from the student point of view and thus the student benefits are of utmost importance. And it's a salute to SMBS for where I stand now! My due regards to my teachers at SMBS who have motivated, guided and have succeeded in bringing out the best in me. Proud to be a SMBSian..."

Corporates who won our Alumni
